If you are like most people, you are looking for ways to save time. Here is a suggestion for how to take one thing off of your to do list. You can make your donations to the parish by means of automatic withdrawal from your bank account. Once this is set up you no longer have to think about writing a check every month. Automatic payment is simple. Just go to the parish website (www.stvincentpallotti.org) and find “WeGather” in the menu bar. After clicking on that, you will see a tab for the General Collection as well as tabs for special items such as Buildings and Grounds, St Vincent De Paul, Donations to our School, Human Concerns Special Collection, Memorials, etc. You can make a one time or a recurring donation to any one of these but they must be selected separately. Once you have entered the pertinent information, you will be prompted for an email and a password. This creates an account for you, which allows you to go back in and change or cancel your contributions at any time. Notifications will be sent to your email when a withdrawal is made. Please consider this option and feel free to contact the parish office if you have questions or need help setting up your account.

The top portion of this form should be detached and included with your contribution to the parish. The back side allows you to direct portions of your contribution to specific purposes.

Each month, the Human Concerns Commission researches a number of deserving charities and selects one for us to contribute to. The charity for this month is highlighted on the opposite side. We thank you for your continued support of the parish. May God bless you.

Sincerely,
Your Stewardship Commission

Here is how I want my contribution for the month to be split/distributed

**Vision Forward
(Badger Home for the Blind)**

Vision Forward provides a continuum of services, from birth through adulthood, to people with visual impairments, helping them achieve important developmental milestones as well as educational, personal and professional goals. All our programs and services are provided regardless of a person's or family's ability to pay.

At Vision Forward, we focus on ability, not disability, because we know that what people can do is far more important than what they can't do. For this reason, we work to empower and educate individuals and families not only about vision issues, but also about the social and emotional aspects of vision loss.

Our Mission

Empower, educate, and enhance the lives of individuals impacted by vision loss through all of life's transitions.

Our Vision

All individuals with vision loss have reached their full potential to lead active, independent lives.
