September, 2018

Let me begin by saying what a pleasure it is to be here at St. Vincent Pallotti Parish, and telling you a little about myself, my qualifications and expectations. I was ordained a priest on May 19, 1985. My priestly ministry started with forming students for the priesthood at various levels in the Seminary. I did this for fourteen years. For the next thirteen years I worked as the Pastor at three different parishes. Most recently I spent three years as the Director of a Pallottine School. My education includes three years of study in Rome to receive a Licentiate in Pedagogy of Religious Education which is the equivalent to a Masters here. As mentioned in the bulletin, I have four siblings; I am the youngest with three older sisters and one older brother.

I want you to realize that the Lord has sent me here for you. Together let us build our parish community to reflect the glory of God. For this I will need your cooperation, prayers and support. I will speak more of this at Mass and I look forward to seeing you there.

On October 6th we are having our Blood Drive in the Parish Center. If you have not already signed up, they are still taking walk-ins. On October 7th many will line up to form the Life Chain. We are grateful to those who take an active role in this ministry. If you are unable to join the Life Chain, please join us in prayer. October is the month of the Holy Rosary. Let us cultivate the habit of praying the Rosary daily and devotedly during this month. Mary will intercede for us. Let us stay connected and pray for one another and the parish. Thank you for all the ways you enrich our parish family. God bless you.
