September, 2016

We are ever grateful to God for the gift of life. On October 2nd as millions line up to form a Life Chain, we stand in support of the precious but fragile life of innocent babies in the womb. Their lives are precarious as they can be destroyed at will, with no legal consequences. Those who are unable to join the Life Chain please join us in prayer. The babies whose lives are threatened look to us for support and help. Also, let us support the Women's Care Center that works hard to promote a culture of life, and care for the physical, emotional and spiritual wellbeing of women and children. On that day we will baptize a baby during the 10:00 AM Mass, celebrating the physical life that God has given him and the eternal life God will be showering on him through the sacrament.

October is also the month of the Rosary. Let us cultivate the habit of praying the rosary frequently and devotedly. The Lord will bless our families and our parish abundantly if we regularly pray the rosary as a family. Our Mother Mary constantly intercedes for us. Relying on her intercession we are starting our long planned Talk-Series on October 2nd immediately after 10:00 AM Mass. We will be dealing with topics that are very beneficial to our day to day living. Light refreshments will be served.

Thank you for all the ways you enrich our parish family. Your support means everything. Let us stay connected and pray for one another and the parish.

God bless you.
