September, 2017

We are ever grateful to God for the gift of life. On October 1<sup>st</sup> as millions line up to form a life chain, we stand in support of the precious but fragile life of the innocent babies in the womb. Their lives are precarious as they can be destroyed at will, with no legal consequences. We are grateful to God for those who lead or take an active role in this ministry. We admire their courage, spirit of sacrifice and perseverance in the face of failures and ridicule. I request those who are unable to join the Life Chain to join us in prayer. The babies whose lives are threatened look to us for support and help. Also, let us support the women's center that works hard to promote a culture of life, and care for the physical, emotional and spiritual wellbeing of women and children.

October is also the month of the Holy Rosary. Let us cultivate the habit of praying the Rosary frequently and devotedly. The Lord will bless our families and our parish abundantly if we regularly pray the Rosary as a family. Our Mother Mary constantly intercedes for us. Relying on her intercession we are starting our long planned Talk-Series on October 1<sup>st</sup> immediately after 10:00 AM Mass. We will be dealing with topics that are very beneficial to our day to day living. Light refreshments will be served.

Thank you for all the ways you enrich our parish family. Your support means everything. Let us stay connected and pray for one another and the parish. God bless you.
