August, 2020

Few of us have ever lived through times like the present. But for us, as Christians, the more things change, the more they stay the same. God is still in control of the universe He created. His love for us is still stronger than any threat, any disturbance, any virus. Jesus' cross and resurrection still triumph over sin and death!

In times of isolation, it's easy to forget who we are and *Whose* we are. (See Daniel 10:19.) We are God's beloved children and Jesus' present-day apostles; we're still stewards of all God has entrusted to us; still called to care for our souls and the souls of those around us. May fear over worldly turmoil never blind us to our blessings and our identity. As St. Padre Pio said, "Pray, hope, and don't worry!"

Your prayers and financial support continue to bless our parish. Please consider your offering to be placed at the service of God, so that the work of the parish may continue.

Please detach and include the top portion of this form with your contribution to the parish. The back side allows you to direct portions of your contribution to specific purposes.

Each month, the Human Concerns Commission researches a number of deserving charities and selects one for us to contribute to. The charity for this month is highlighted on the opposite side. We thank you for your continued support of the parish. May God bless you.

Sincerely,

Your Stewardship Commission

Rescue Mission

Milwaukee's poverty and homelessness issues are vast and complex. But they are not insurmountable. Since 1893, the Milwaukee Rescue Mission has tackled these issues head-on, serving the community with compassion and care, and with excellence and expertise –all in Christ's name.

We serve hurting men, women and children by offering practical assistance like food (approximately 304,000 meals this year), clothing (nearly 73,000 items), and shelter (over 98,000 nights). And we offer transformative programs that equip them to get off the streets and turn their lives around for good. We offer short- and long-term assistance, education, pastoral care, help in overcoming substance abuse, job training and much more. We address the root causes behind their problems. And we offer spiritual development and enrichment, all based on the good news of the Gospel, which we believe is the key to lasting change.
