August, 2018

FAREWELL

This is the last letter I write to you as the administrator of St. Vincent Pallotti Parish. I am returning to India, in October. My last day of ministry to the Parish will be September 16. I am hoping to be able to say goodbye to each of you personally.

Thank you for supporting me and the parish for the past four years. Especially, I thank you for your love, words of appreciation, prayers and occasional gifts.

It was a privilege to know you and minister to you for these few years. I will miss that. I will keep you in my prayers and I hope that you will say a prayer for me when you think of me. I wish all of you and the parish the very best.

I use this opportunity to welcome Fr. Thomas Manjaly who will take over as the administrator effective September 17. We wish him the very best.

**THANK YOU AND GOOD BYE.
GOD BLESS YOU AND KEEP YOU CLOSE TO HIM**

Fr. Thomas Kuttiyanickal
(Administrator)

Here is how I want my contribution for the month to be split/distributed:

Monthly contribution.....	\$ _____
Vision Forward	\$ _____
St. Vincent De Paul	\$ _____
Building maintenance	\$ _____
Total (for the month)	\$ _____

St. Vincent Pallotti Parish

Vision Forward (Badger Home for the Blind)

Vision Forward provides a continuum of services, from birth through adulthood, to people with visual impairments, helping them achieve important developmental milestones as well as educational, personal and professional goals. All our programs and services are provided regardless of a person's or family's ability to pay.

At Vision Forward, we focus on ability, not disability, because we know that what people can do is far more important than what they can't do. For this reason, we work to empower and educate individuals and families not only about vision issues, but also about the social and emotional aspects of vision loss.

Our Mission

Empower, educate, and enhance the lives of individuals impacted by vision loss through all of life's transitions.

Our Vision

All individuals with vision loss have reached their full potential to lead active, independent lives.
