

TAX STATEMENTS

Those parishioners who do not have an email address in our data system will receive their tax statements by mail.

If you are already receiving Email BLASTS from our parish then we have your email address listed in our data system called ParishSoft. To get your tax statement first you have to register in our system using the following link:

<https://milwaukee.parishsoftfamilysuite.com/>

And just follow the prompts.

If you need more help, use this link (<https://support.parishsoft.com/hc/en-us/sections/360009516451-Members>) to see step by step instructions and Videos to help you with the registration. Once registered, all your personal information and contribution record will always be available to you at any time for viewing and printing. If you have further questions please contact the Parish Office.

If you would like to be added to our email list, please email the parish office at vPallotti@stvincentpallotti.org AND write in the subject line the word ADD with your first and last name.

We do not share this information with others.

**PLEASE BE SURE TO ADD OUR EMAIL ADDRESS TO YOUR ALLOWED
