

## FRIDAY NIGHT LIGHTS

### Student Conduct Agreement

#### **Our Mission:**

We want to provide high school teens with a safe and fun place to hang out after school events on Friday night. To achieve this we have set in place some guidelines that ensure the safety of all attendees.

#### **Guidelines:**

- All teens must sign into the event and sign out when they intend to leave STOC property. You must stay within the designated and supervised boundaries dictated by the adult chaperones.
- Respect the judgment and authority of supervisors. They are in charge of keeping you happy and safe during the event.
- Do not intentionally damage, vandalize, or steal any church property.
- The use and/or possession of drugs, fireworks, alcohol, tobacco, or weapons are not permitted.
- Always treat others students and leaders with respect. This means no verbal and physical abuse or any other type of bullying.
- This should go without saying, but do not engage in any form of sexual misconduct including, but not limited to: any form of harassment, abuse, and consensual sexual activity.
- Be responsible while driving to, from the event, including within the parking lot. Do not do anything that would endanger your own, or anyone else's, property or physical person.

- Remember to respect the dignity of yourself, and those around you, as children of God.
- If you see any of the guidelines above being broken, it is your job to report it to the chaperones for the safety of the other teens.
