Fall 2017

School Year 2017-2018

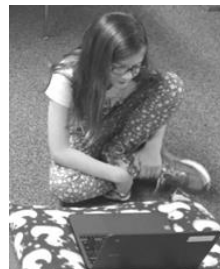

Our faith-filled school year is off to a great start. We started our year with a special blessing of the new crucifix (on right) in our school's meeting room. Given to Fr. Tony, the crucifix is a wonderful addition to the Catholic identity of our school. In conjunction with NCEA, we celebrate our year with a new theme, "Catholic Schools: Learn. Serve. Lead. Succeed". We are integrating this theme in our academic and faith formation, as we learn what God wants for us through the study (and memorization) of scripture. We are discovering ways we can serve one another, our families, our neighbors, and our Lord, leading by our actions. Each month, we focus on one virtue or characteristic, both in English and Latin, with a corresponding scripture passage. This month, we highlight Gratus (thankful) with scripture taken from 1 Thessalonians 5:18 "Give thanks in all circumstances; for this is God's will for you in Christ Jesus." Please keep us in your prayers as we strive for success in this mission.

This is an exciting year for our staff and students as we embrace the ongoing trends in education and technology, both in administrative work and the instruction of students. As you enter some of our classrooms, you'll notice flexible seating options where desks are not always arranged neatly in rows. For example, in 4th grade, students may choose to be seated on the floor, at a standing desk, in a pod alongside classmates, or singly in a less distracted area. In this way, teachers create an environment where every student is comfortable allowing for greater learning potential.

We are proud to be launching our technology initiative as well, with the introduction of Chromebooks in the upper elementary grades. Using web-based applications such as Google Classroom, teachers are learning to cater individual instruction and support for each student. Students are also learning how to use these applications to collaborate with fellow students. We are very excited to continue to expand our knowledge, using technology responsibly and respectfully, and look forward to the endless possibilities.

We continue to be blessed with awesome financial support from our parishes, alumni and friends, who are committed to Catholic education. This support makes it possible for us to retain our valuable teaching staff and educational resources and to offer any child an opportunity to attend St. Anne's School. We encourage your continued participation and invite you to all our special events and activities. The 4th Annual Capital Campaign Dinner has been set for Sunday, April 15, 2018. Tickets will be on sale soon. More information about that event as well as all of our celebrations, traditions and special events are on our school's website.
