

## WORDS OF HOPE

### Session Five Reflection Questions

#### PART 1

- 1) The stories of the events leading to Jesus' passion, death, and resurrection are so familiar it can be hard to hear them with fresh ears. What catches your eye? What surprises you that you haven't thought about in recent years?
- 2) We believe that Jesus is fully human and fully divine. How do these aspects of Jesus' two natures emerge in the Gospel reading?

#### PART 2

- 1) Martha exemplifies what Jesus wants from each of us: a confession that moves beyond intellectual knowledge to a personal commitment to and relationship with him. Does Martha's confession of faith in Jesus deepen your relationship to the Lord Jesus?
- 2) There are many points of view, and many emotions in the Gospel this week. With whom do you identify most strongly at this moment? With whom would you like to be able to identify with?
