

## WORDS OF HOPE

### Session Six Reflection Questions

#### PART 1

- 1) We enter this Holy Week raising our voices with hosannas of praise. As Jesus enters Jerusalem, how is he depicted? Is he the conquering hero that Israel expected? And yet, how is he received?
- 2) Recall a time when you were faced with a difficult task or journey. How were you able to overcome the difficulty and complete the task? Were you able to do what God was asking of you immediately? “Do what Jesus tells you to do.”

#### PART 2

- 1) We move within one Eucharistic liturgy from the joy of Jesus’ entrance into Jerusalem to the reality of his suffering and death. How can you, as someone who has journeyed with Jesus for the past several months, proclaim him Lord and receive him fully this week?
- 2) How will you participate in the Sacred Paschal Triduum so that it deepens your spiritual life?
