

ST. MARY CATHOLIC CHURCH HUMAN CONCERNS ENDOWMENT FUND REQUEST FORM

The Endowment Fund was established to provide perpetual funds for people in need of food, clothing, shelter, or health services. These funds are disbursed annually to non-profit organizations which either provide these direct services to people, or work to promote social justice. The funds should be used for people who reside within the parish or diocese and must be re-applied for each year.

In 1981, St. Mary's participated in the establishment of Marywood, a housing facility for older low-income people. Under the terms of the program, the parish received compensation for the land it provided. Sometime later, a portion of these proceeds was used to create The Endowment Fund for Human Concerns.

The fund was designed to operate for many years by adhering to a formula which channels the bulk of its earnings for those in need, while preserving the core investment. In the years since its inception, it has addressed a wide range of human needs.

Applications are accepted from May 28, 2021 through June 30, 2021 with notification of grants processed in September. Please print or type answers and return to St. Mary's Human Concerns Office by June 30, 2021.
