

Photos Needed

The staff needs your family photo (or an updated one). Photos will be used by the cluster staff. These will be extremely helpful for the existing staff and especially the new incoming priest to have in our records.

Submit photos via email or text to the office. A couple of guidelines:

- Head & shoulder image is ideal. (Max to the waistline for large groups)
- Color or black & white
- Jpeg format is ideal
- Photo should be current (within last 12 months)
- Email to <sheartchurch@sbcglobal.net> or text 920-821-3468.

If a digital photo is not an option, bring in your photo (max 8" x 10"; min 2" x 3") to be scanned. Or, Kim will have her camera handy after Masses on February 11th and 17th.

Of course we must have a *Photography Consent & Authorization Form* signed and returned to the office (see below). Once signed, return it via email, text, mail or drop in the collection basket. (It's OK to send this form separate from the picture.)

Please submit by February 28th. Happy photo shooting.

~~ Your Cluster Staff

Photography Consent and Authorization

I authorize Sacred Heart Parish, Horicon, WI and St. Matthew, Neosho, WI to use the submitted photo(s) in its database and inhouse publications when needed. I understand and agree that the use of my picture is not an invasion of privacy. Neither I nor anyone claiming to be speaking on my behalf will later object to the Parish's use of the photograph(s).
