

2017 'Wish List'

Dear Brothers and Sisters in Christ

The response to the wish list over the past two years has been tremendous. I am so grateful to all who have given generously to our 2015 and 2016 wish list. We have decided to continue the tradition for those who like to purchase a particular item for the church. As you can see we continue to need new replacement windows and plastic molded tables. We have also added a few new items for our new faith formation classrooms and our music ministry. (Note: Partial amounts gladly accepted)
