Family ship to home available now!

As of NOVEMBER 03, 2020

Families, you now have the option to get physical gift cards from 250+ brands delivered to your door—available only in the mobile app, RaiseRight™. You can earn more conveniently by getting eGift cards and physical gift cards from the comfort of home. So get the RaiseRight App now.

What is the RaiseRight App? This is a new app that you can download right from the app store, for both Apple/iOS and Android/Google. This will eventually replace the current MyScripWallet but for now you can use either. If you are **new** you will want to get the RaiseRight app. If you already use MyScripWallet you can change to the new app at any time and the information, sign in codes, etc. will automatically be loaded onto the new app. The new app will make login easier, increase search capability, make browsing brands offering bonus earnings easier, allow you to add brands to your favorites list, manage your gift cards, track your balance, and even allow you to **access your gift card, even when offline!**

Why is this important to St. Joe's School and YOU!

- **Contactless:** Provides a safe option for you to get gift cards during COVID-19.
- **Flexible:** You can order on your schedule. No planning. No deadlines.
- **Easy gifting:** This holiday season, you **can buy gift cards as gifts and send them directly to friends and family.** Plus, there are no activation fees.
- **Increased reach:** It's easy for out-of-town supporters to participate. **So let your family and friends know of this announcement.**
- **Program growth:** Seamless delivery to you or friends and family.
