

What is SCRIP?

Scrip is a school fundraiser that allows us to raise money while you shop!

Scrip is simply exchanging cash for store gift cards/certificates. You exchange them dollar for dollar and St. Joe's receives a percentage of the gift card purchase.

The cost to you is ZERO!

How do we participate?

2. Enter the enrollment code given above
3. Enter your profile information
4. Click on payment types under "Family Functions" to link your bank account to pay for your purchases (recommended). You may also pay by credit card at checkout or check.
5. You are ready to SHOP!

What is NEW? We are only offering scrip at National Retailers via eGift cards? **An exception will be made for Christmas shopping where you will be able to order plastic cards to gift.** This is because it has become prohibitive to pay the shipping costs of regular plastic cards as it almost eliminates the earnings we receive from the merchants. Thus we are supporting only the purchase of eGift cards from National Retailers. You can also shop with the new RaiseRight mobile app right from your phone. See the section below on "RaiseRight mobile app" **You will also still be able to order regular cards from local merchants as is explained below in the section "LOCAL MERCHANTS"**.

What are eGift cards? eGift cards are delivered directly to your account. View the eGift card for instructions on how to use it, to learn if you should print it or if you can show a digital copy on your phone when shopping at a store. When shopping online, copy and paste the code at checkout to apply it to your purchase. Log into **ShopWithScrip.com** and select the Shop tab. Narrow your search by Card Type and choose eGift Cards to browse all brands that offer eGift cards. Or, when searching for a specific brand, select the brand to view available card types—the eGift card icon will appear if that card type is available. You will receive your eGift cards within minutes. If you do not use the full amount of the card the remaining balance is left on the eGift card for future use. You can delete the card when used by going in your Wallet and selecting "Hide" to clear it from your view. If you want to see it again, select Show Hidden.

What is the RaiseRight App? This is a new app that you can download right from the app store, for both Apple/iOS and Android/Google. This will eventually replace the current MyScripWallet but for now you can use either. If you are **new** you will want to get the RaiseRight app. If you already use MyScripWallet you can change to the new app at anytime and the information, sign in codes, etc. will automatically be loaded onto the new app. The new app will make login easier, increase search capability, make browsing brands offering bonus earnings easier, allow you to add brands to you favorites list, manage your gift cards, track your balance, and even allow you to **access your gift card even when you're off line.**

Local participating businesses: Below is a list and the percent they are donating. We encourage you to shop local whenever possible. These Merchants are also listed on the Scrip Website and cards can be purchased there as well. These are NOT eGift cards, but actual plastic cards. We encourage you again to pay for them online by bank (best and cheapest) or by credit card. You can also pay by check when you pick up the cards.
