Virtual Youth Ministry for 6th-8th Grades & 9th-12th Grades

Vision & Values

The Youth Ministry of Saint Benedict Parish enables our youth to follow the example of Jesus Christ by sharing their time, talent, and treasure within and beyond our community.

Values

A Culture of Welcome

We are all children of God our Creator. We embrace a spirit of welcome and belonging and do not exclude anyone. We also recognize that young people are vulnerable, easily influenced, and in need of our protection.

A Culture of Discipleship

Everyone, regardless of age, has a vocation to be a disciple of Jesus Christ. Each person offers a unique gift of self to help bring about the reign of God. Catechesis is not the only thing necessary for a person to become a disciple. Therefore, the St. Benedict Youth Ministry focuses on all aspects of discipleship including catechesis, prayer and worship, service, and other skills for helping young persons grow throughout their life on their individual journey of faith.

A Culture of Mature Leadership

We are always striving to develop leadership for a new generation. The youth ministry gives young people the opportunity to learn leadership skills through direct experience in leadership roles.

Required Participation

While we encourage all teens in grades 6th - 12th to participate in youth ministry, teens in grades 7th & 8th are required to participate as part of their preparation for Confirmation. Teens who need to meet this requirement may attend the live Zoom **OR** they can watch the teaching and submit one of the corresponding assignments by the due date.

Each teen may mix and match how they meet the 2x per month requirement based on their availability for live Zooms. All information and assignments will be posted in the Schoology platform.
