

Developing Music Ministry at Saint Benedict Church

Why Sing?

Saint Augustine tells us that “to sing a hymn is to have prayed twice!” Singing is a way for us to share our faith with others, and to open ourselves up to God and His Church. We freely choose to give ourselves to God, and sharing our voices in song is a wonderful way to do this (especially if it feels like a challenge).

God has often chosen “incapable” people to do his work. Just as he asked Mary and Joseph to raise the Messiah, he calls us to share his love with others, and to praise him all our days. We might think that we are incapable, but we are God’s children, and we are called to serve the Lord with gladness.

Called to Sing?

If you feel that you are called to help our parish community grow in faith through song, please contact Mitch Farrell. All are welcome to share their gifts, and any level of commitment is encouraged.

Saint Benedict is hoping to increase the size of the choir and develop new cantors. Rehearsals are not mandatory, and our music ministry team will select well known hymns to make the beginning of the process easier.

Many thanks to those who have shared their singing with the parish!

In the spirit of our proud parish community, let us encourage one another to develop this ministry at Saint Benedict.
