## Church Painting

I thank all the generous contributors to the painting the church which will take place in mid to late September. This will be the interior and exterior of the church and will cost approximately \$25,000 and today we have raised one-fifth of that and I am deeply appreciative! If you wish to contribute to this fund simply make your check out to Sacred Heart Catholic Church and in the notation area of the check simply put "painting of church." It has been over 20 years since we painted the church during the renovation and it is past time to take care of this important item, so thank you for your generosity.

A Reminder not to put missalettes over the air conditioner vents in the floor but rather sit in a pew without a vent or move two feet down the pew if you get too cold. Placing missalettes over the vents can harm the entire system. Thank you so much!
