## Faith Partner's Evaluation of the Candidate

### **Dear Faith Partner:**

I thank you very much for the time you have devoted to this young person who asked you to be his/her Faith Partner during this year. I hope that you have enjoyed this experience. Perhaps you have grown in your own depth of spirituality along the way.

The Faith Partner-Candidate relationship is very important in our Confirmation process at The Church of St. Rita. These one-on-one faith sharing experiences allow each candidate to receive individual attention regarding their spiritual growth. It is my hope that you have developed a closer relationship with this young person. Perhaps, by your example of being present to this youth in the personal way, he/she, in turn, will offer themselves as a mentor to someone someday.

I have one final request of you: Will you please take a few moments to write a letter recommending your candidate for Confirmation? **This letter should be written to YOUR CANDIDATE, I will put the letter into their certificate envelope on the day of Confirmation.**

Please tell us how you connected in the following ways:

- How has your candidate grown spiritually along the way? What changes have you noted?
- Does this young person understand and desire to follow God through the teaching and the guidance of the Church?
- Is this young person prepared and open to receiving the Sacrament of Confirmation at this point in his/her life?

Please return your letter and the completed Faith Partner Sessions form to the Confirmation Coordinator by **March 22, 2021**. Thanks!
