

Greeting Confirmation Candidates and Parents,

I am praying for you as you begin the steps towards Confirming your faith and receiving the power of the Holy Spirit next Spring! Included in this packet are all the pieces you need to get you started in the prayer, conversations and encounters that will help you prepare.

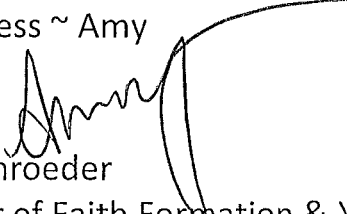

I'll be sending an email out shortly with a link to a YouTube video of the information about the process of enrolling for the Sacrament of Confirmation. **Please sit down as a family and watch it together (have this packet of information with you when you watch)** – email me with questions if there is anything you found unclear.

If you haven't already, **start thinking about who you'd like to ask to Sponsor you in your Confirmation journey.** This person should be someone you trust, enjoy talking to, look up to in faith, a Confirmed/active Catholic. Your sponsor cannot be one of your own parents. Then, ask them if they are willing.

There will be *either* a zoom mtg or second YouTube video coming out on the evening of Nov 10th – you should plan to **watch this with your sponsor** and have the included green folder ready to start your conversations that night – you and your sponsor can choose 5 more times when you can meet together to have the remaining conversations.

I'll explain more in the YouTube video, so please watch your email, and make sure I'm in as a safe contact so they don't go to spam. aschroeder@saintritas.org
