MORE ABOUT COFFEE!!

Thanks to the 9AM Greeters for taking on the coffee setup duty. Coffee is under the counter to the right of the refrigerator. Instructions are posted on the wall. Please use the **LARGE** coffee pot, not the Bunn coffee makers (unless you have to!).

I'd also like to ask the 11:30 Greeters to stop in at the Parish Hall before 11:30 Mass and remove the coffee grounds from the coffee maker (if it is left in, then the coffee for 11:30 Mass is "burnt"). Just the take the lid off the top of the coffee pot, take out the basket and the stem, and dump the grounds.
