Lots of changes!

We now have the 9am Greeters setting up the coffee (thank you!), and we are serving coffee outside rather than in the back of the church. I expect that as the season changes, after Mass coffee will move down to the Parish Center. Fr. Jonah feels quite strongly, understandably enough, that the church ought to be available to those who feel the need or desire to remain in prayerful silence.

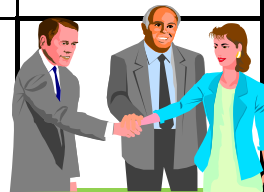

We also will be seeing increased auction activity - people bringing in auction donations (please place at back left, back by the sacristy) and in September we will begin asking for wine donations. The wine tags and collection boxes will be at the back, under the hymnals to the left as you enter the church. Please be helpful to people bringing those things in!

Masquerade!

October 12 after 5PM Mass

Remember... married couples cannot count the money. Team B: use one Team B greeter and one Team A greeter for this duty. The other two can hand out the bulletins. Thanks!
