

Early Childhood Religious Education

Incarnation Catholic Church is excited to offer an Early Childhood Religious Education program for our 4/5 year old children and our Kindergartners. In our Early Childhood program the children will get to know and love the God who made them and the world that he created.

This program is completely home based with the intention of gathering our children together 3-4 times a year for interaction. (Due to COVID we will not be planning any gatherings at this time.)

Once a month, parents will receive a home packet that has all the materials needed for the monthly lessons. Each monthly kit will have parent teaching tools and children materials. Parents and children will usually complete 3 lessons a month. Cost for our Early Childhood program is \$25 per child.
