

Incarnation Catholic Church Religious Education Calendar Grades 6-8 - Home Study

Outline of the Home Study model: Teens will receive a workbook and a digital access code from Ascension Press. They will then watch the assigned video and do the weekly lessons assigned, we recommend that the parents discuss with the teens, or if there are more than one teen participating, that they dialogue together. There will be an introduction and overview of the year for both parents and youth via zoom on September 28 from 7pm-8pm (the Zoom log in will be sent the week before). Starting in November and thereafter, the first Monday we will meet via zoom to discuss what has been done. There will be two - three sessions youth complete at home independently.
