For families with children not in a sacramental class:

Participation by attending Mass weekly as well as the GIFT Family sessions is expected to advance your child to the next year of Faith Formation as they progress onward toward confirmation. There are only 8 sessions a year that meet on the first Sunday of each month, October through May. Students will also receive Gospel Weeklies (*that are worked on at home as a family*) and form returned at the next session.

For families with children in a sacramental class:

Families are expected to attend the 8 family GIFT Sessions as your sacramental student attends their class during the GIFT session. They will also have a second class each month where only the student need attend. Sacramental students are required to maintain nothing lower than 80% attendance and participation in class in order to receive their sacrament.
