

BUILD

ON JESUS

OLOL 2026

JUNE 8-12

Lessons Overview

Lesson One: Feet - Stand Firm in God's Word

Wise and Foolish Builders, Matthew 7:24-27

God's word is the foundation for our lives. It provides a better way to live. We need to read and know God's word and start to live it out.

Lessons Overview

Lesson Two: Heart - Trust in God's Love

Prodigal Son, Luke 15:11-32

As we live out God's word, we sometimes go our own way like the prodigal son. But no matter how far we go, God will always love us. He showed His love and forgiveness through Jesus.

Lessons Overview

Lesson Three: Hands - Be a Part of What Jesus is Doing

The Boy at the Feeding of the 5,000, John 6:1-14

What ways we can love and serve others--in our house, in our neighborhood, in the world?

Lessons Overview

Lesson Four: Head - Get Your Whole Self Out There

Great Commission, Matthew 28:16-20

Just like Jesus built up the disciples to send them out, He's also sending us out to tell others. When we BUILD on the solid rock of Jesus, we have ears to hear God's word, eyes to see other people, and a mouth to tell others about Jesus.

MEMORY VERSE FOR THE SERIES:

“Everyone who hears my words and puts them into practice is like a wise man. He builds his house on the rock.” Matthew 7:24
