- (5) Go on at least one date a week with your fiancé - you must text a pic of your date (or some other proof) to your sponsor couple as a reminder to them that they should be praying for you and as evidence that you are doing your homework. Take turns planning the date and keep in mind what the other likes and not so much what you like. Mentors are encouraged to go on a weekly date as well if they are not already doing so. Look up "The Five Love Languages" and try to figure out what love language you each speak so you can plan dates that they will appreciate.
