## 2024 Parish Council Nominations

Each spring, we as a faithful people are asked to consider sharing our talents and leadership with the parish by serving a term of two years on Parish Council. With the ongoing implementation of Beacons of Light and our new family dynamic, your leadership and commitment to Little Flower parish is as important as ever. The new Council will be our parish's guiding voice as we work with our fellow family parishes to come together as a larger faithful community.

We have three positions on our Little Flower Parish Council becoming available this spring. If more than three parishioners are willing to serve, there will be elections held. A published slate of candidates will be in the May 12<sup>th</sup> & 19<sup>th</sup> bulletins, along with a ballot. Those elected to Council will be announced in the May 26<sup>th</sup> bulletin.

To be nominated for a position on Parish Council, you must be a registered parishioner, 18 years or older and Baptized Catholic or fully received into the Catholic Church.

Please prayerfully consider this opportunity to serve St. Therese, Little Flower Parish – the little parish with a big heart. If you have any questions, you may contact the parish office at 513-541-5560.
