

Dear Parishioners and Friends,

Every year, a **Financial Report** is provided to each parishioner family of St. Patrick Parish. It is prepared because **total transparency is important** and because Catholics need to be aware of what it takes to administer a modern Catholic parish.

The Catholic parish is **an institution that offers a broad range of pastoral services**, from weekend worship to sacramental celebrations of life's many passages, to spiritual formation and education, to personal spiritual growth opportunities, social outreach activities and care for the poor, to all kinds of administrative property and financial services that sustain **the work of the church that is the work of God**.

God's Peace, Fr. Oriol Regales
