

Dear Parishioners and Friends,

Every year, a **Financial Report** is provided to each parishioner family of St. Patrick Parish. It is prepared because **total transparency is important** and because Catholics need to be aware of what it takes to administer a modern Catholic parish.

St. Patrick Parish is an institution that offers a broad range of pastoral services, from weekend worship to sacramental celebrations, from faith formation to spiritual growth opportunities, from social outreach activities to various properties and financial services that sustain **the work of the church, that is the work of God.**

God's Peace, Fr. Oriol Regales
