Dear Prospective New Family,

Thank you for your interest in Our Lady of Fatima Catholic School, which has been providing Catholic education in Hopewell for over 50 years. OLOF strives to maintain learning programs that foster academic achievement while providing for physical, social and spiritual growth. We understand the significance of making the right choice for your child and invite you to discover the rewarding experience of a Catholic School education at OLOF.

Faith is integrated into everything we teach at Our Lady of Fatima. We view faith as the foundation and structure of knowledge, wisdom and values. We are proud to be able to offer a faith-based education that is not offered by our public school counterparts. Parents are delighted about our mission to "make a difference" in society. We will continue to work for the spiritual, emotional, and academic growth of our youth.

We believe that parents are the first teachers of their children. Together parents, students, teachers, and God work as partners in every student's education. This partnership forms a powerful community united in the belief that Christian values and excellent academics will best prepare your child for the future. We expect our students to learn the importance of following the example of Jesus by serving others.

Our challenging education involves:

- Experienced and accredited teachers
- Small class sizes
- Academic Support
- Religion Class
- Fine Arts/Music
- State of the art science lab
- Beaver County Honor League
- Math Counts Program
- Forensics
- Robotics Club
- Student Council
- World Languages
- Competitive sports programs
- Safe and secure campus
- Bus service to Central Valley, Hopewell, Aliquippa, Ambridge and Moon
- After school enrichment programs (Art Club, Jujitsu, Little Dribblers and Bowling Club)
- English Festival
- Financial Aid, Scholarships and Tuition Assistance
- Affordable Extended Day Services (2:00-6:00)

Come experience how an education at Our Lady of Fatima can make a difference in your child's life. We would be honored to give you a tour and introduce you to our family!

Blessings to you as you explore options for your child's education.

Mrs. Shirley Martin
Principal
