

Dear Families of Our Lady of Fatima,

Reregistration time has arrived. Our Lady of Fatima School continues to thrive with a strong formation, academic excellence, and a passion to carry on our outstanding Catholic tradition. The tradition of Catholic education has been inspired, prioritized, and supported by faculty and staff, parents, parishioners, and local community business leaders. This high-quality education does not just happen. Many ordinary people have come together to make our school community extra ordinary! The faculty and staff are extremely dedicated in striving to instill core values as a foundation to become active participants in the local community. We believe that we are giving our students the tools needed to become successful adults who will continue to be enthusiastic life long learners and followers of Jesus.

The faculty and staff will continue to put forth every effort to maintain and improve in all areas needed within our educational system. We are proud to state that we were reaccredited by the Middle States Association this past school year. We spent time self-reflecting and evaluating all areas of our school including curriculum, faith formation, finances, community involvement, leadership, and much more.

We are pleased to announce that our tuition and re-registration fee will remain the same for the 2020/21 school year, along with the Fair Share amount. Please know that we will continue to work with you as a partner to develop a financial plan and know that you are truly giving you child(ren) a gift that will remain with them throughout their life. Keep in mind that you need to be current on this year's tuition in order for 2020/21 registration to be processed. Please contact Maureen Cox, 724-375-7626, if you have questions or concerns with your account.

All re -registration forms are available on our website and are able to be completed and submitted online, although the \$75 (or \$25 with the pastor signature sheet) family re-registration fee will need to be sent to the school office before we can process your registration. The pastor signature form needed for financial aid is also on our webpage and able to be submitted online. We ask that all registrations be submitted by February 14<sup>th</sup> so that we can begin working on the 2020/21 budget. Please contact the office if you would prefer a hardcopy of any forms.

We are offering a \$250 incentive for all families that recruit a new student that enrolls in OLOF.

Thank you for choosing Our Lady of Fatima where Faith and Knowledge Meet.

Blessings,

Shirley Martin
