

# OUR LADY OF FATIMA

Dear Families of OLOF,

Welcome to a new athletic year. We are very proud of the outstanding tradition of Catholic education and athletics at Our Lady of Fatima. A lot of people come together to make this program a success. To continue this success however, we need you to make a commitment to our program. Just as your child makes a commitment to attend practice and games, work hard, keep academics a priority and proudly wear the OLOF uniform, we ask this same commitment from each of you. It is vital to the success of our program.

All students will be required to sign a Code of Conduct form. This form is their promise to demonstrate a positive attitudes at all times, respect coaching staff, officials and other team members, and practice good sportsmanship, especially when wearing the OLOF uniform.

The Parent Participation Pledge must be signed by all parents ensuring each of you to abide by the rules set forth in the Diocesan Guidelines for Catholic Elementary Schools Sports Programs. It is also a commitment to volunteer to work home games when assigned (or signed up for) during the season and for fundraisers that eventually pay for the gifts given at the end of the year Athletic Banquet.

We also have a Sports Handbook that will be placed on the school web-site. We encourage you to review the handbook as it documents many details of our program and the role that each of us plays in the success of the program, i.e., player, parent, coach, athletic director, and administration.

All families must have registration form, registration fee, up-dated physical, and all forms turned into the school office to participate in a sport. These forms and the registration fee will have a deadline for continued participation so we ask that you are each mindful of your responsibility to complete this task.

In closing, We thank each of you for your dedication, commitment, and involvement to our athletic program. GO FALCONS!

Sincerely,

Our Lady of Fatima Athletic Association
