**139 Let's Make A Deal**

Would you MAKE A DEAL for what's behind one of these three doors, knowing that behind one of them is over \$200 in cash or valuable merchandise? If you win this prize, you get to pick Door #1, Door #2, or Door #3. The \$200+ prize is behind one door. Behind a different door is a prize of medium value. Behind the third door is a booby prize, known on "LET'S MAKE A DEAL" as a "ZONK"! Only one person has knowledge of which prize is behind which door and they will not have any tickets in this bucket. **PLEASE INDICATE ON YOUR TICKET WHICH DOOR YOU CHOOSE.** If a door number is not listed on your ticket and you or your representative is not present to choose a door, then an assistant will pick a door for you.
