ACKNOWLEDGEMENT OF BUSINESSES

Thank you to all of the businesses that donated items, sold tickets or helped out in any way. Please patronize these businesses and mention that you appreciated their donation toward our raffle.

THANK YOU

St. Therese Parish asks for everyone's help and cooperation in selling the raffle tickets.

This fund raiser provides funds for necessary projects for St. Therese Parish. We hope for the success of this event with the help, work and dedication of our parishioners.

We wish to thank ALL who have given so generously of their God given talents and contributions. We would also like to thank the businesses that allow us to sell tickets in their establishments and all those who sell tickets.

Also, thank you to those who helped in many other ways; stapling, separating tickets, set up, take down, kitchen help, record keeping, distributing prizes and counting money. We cannot do it without you! The last step is to sell tickets. This is where the profits come from.

1 Cap'n Adalbert's Treasure Chest

While my troublemaking cats were prowling around the dark corners of the rectory basement and making a mess of whatever they could find, they unburied - yes! Another treasure chest left by Cap'n Adalbert, the famous Bohemian pirate! The chest is made of oak and oak-veneer plywood and contains at least \$900 in cash, gift cards and treasures.

147 Let's Make A Deal

Would you MAKE A DEAL for what's behind one of these three doors, knowing that behind one of them is over \$200 in cash or valuable merchandise? If you win this prize you get to pick Door #1, Door #2 or Door #3. The \$200+ prize is behind one door. Behind a different door is a prize of medium value. Behind the third door is a booby prize, known on "LET'S MAKE A DEAL" as a "ZONK"! If you win, you have to choose which door you want. Of course you will have no knowledge of which prize is behind each door. If you win this prize and you or your representative is not present to choose which door, my assistant will pick a door for you. (They will not know which prize is behind which door, either!)
