

21th Annual Time and Talent Fund Raising Event

It's time once again for our Time & Talent fundraising event. Last year we raised over \$44,500. We are asking for your donations of time and talent. Items donated could include crafts, wood items, gift certificates, services, bakery items, etc. All items are appreciated but because of past comments about prizes being used, we no longer can accept items that are not new. In order to donate larger prizes you may want to consider getting together with families and friends. The proceeds this year will go into the improvement fund to help pay for projects at the three parish sites.

The Time & Talent event will be on **Sunday April 24th, 2022**. We need to know what you would like to donate in order to compile the prize listing in the raffle booklet and have time to sell the tickets. Donation commitments must be turned in **no later than February 10th**. Donations that are received after this date cannot be printed in the raffle booklet and will be placed on the silent auction.

All silent auction items received by the February 10th deadline will be listed in the Silent Auction section in the back of the raffle booklet. The silent auction is a good place for true antiques to be listed.

We will be having a section in the raffle booklet for Made or Given by Smaller Hands. We would like to try to get the children involved in this event by giving them their own spot in the raffle booklet. Be creative and use your imagination. If the donation is given by a child, please put their name on the donation slip so we can give them proper recognition.

Please call Jan, Sandy or the parish office with questions, concerns or suggestions to make this another successful fundraiser for St. Therese Parish.
