

## HISTORY OF EXCELLENCE

Holy Family School's rich tradition spans over 100 years of strong academics. Our students perform in the top quartile on national standardized assessments. Most of our students take honors and AP courses in high school.

## WE OFFER:

- A safe, nurturing school where spiritual and academic growth flourish in a family-like environment
- Small classes where caring teachers can meet students' individual needs
- Training in skills students need for future careers like critical thinking, problem-solving, creativity, collaboration, and leadership

## PARENT TESTIMONIAL

*"We put our son in Holy Family's part-time preschool program because we heard great things about it from friends with children who attended HFS. The experience was great for our son, and as a result, we enrolled him in the kindergarten program. He is now in 3rd grade at Holy Family, and we plan to keep him there through 8th grade because of the great education he has received, including during the worst of the pandemic."*

# MISSION

Holy Family School dedicates itself to empowering students with intellectual growth and faith-filled lives. Holy Family provides a nurturing environment promoting a culture of service. In teaching lasting values that involve the whole family, Holy Family instills ideals that embrace academic strength, a deeper relationship with God and a desire to lead responsible Christian lives.

## TRADITIONAL VALUES

Our students learn values that shape their character.

- Respect
- Responsibility
- Integrity
- Caring for others
- Trustworthiness
- Citizenship

# LEADERSHIP

Our students learn leadership through the National Junior Honor Society and Student Council. Our middle school students mentor younger students. Our primary students learn leadership through classroom opportunities to support their peers.

# ACADEMICS

- Mathematics through Algebra
- Technology Integration – 1:1 Chromebooks and SMART Interactive boards in all classes
- Related Arts: Art, STEM, Physical Education, Health and Library
- Spanish in grades Pre-K through 8

Family is our Middle Name

## EXCEPTIONAL OPPORTUNITIES

Holy Family School offers band and chorus. Our students can also learn guitar through our partnership with Martin Guitar. We have a strong drama club, led by professional actors, which performs a musical every spring. Our students compete in basketball, volleyball, cross-country, and track and field. We offer clubs like Spanish, chess, craft, speech, and debate.
