INSURANCE AGENTS REPORT

Brother Matthew Maurin

Are you frustrated with paying yearly income taxes on savings that are intended for long term goals? Then it's time for you to get the information on the strategies that can provide tax advantages on your money. In our early working years, working years we made money to pay our monthly bills. Shortly thereafter, we began saving for our first home. But during our middle years we began to realize the seriousness of putting aside money for longer-term objectives. That's why many people embrace financial strategies that not only have the potential of building value for your future financial goals, but may also provide beneficial tax advantages during their growth phase and during the distribution phase. It's important to save money, because some long-term goals don't offer second chances. But it's also important to embrace tax advantaged strategies when available - ones that have the ability to potentially reduce defer or even eliminate taxes. With so much to gain ask for the facts. The facts may illustrate ways for you to achieve tax advantages on money or setting aside for longer term objectives. That's a strategy that has the potential of delivering a big advantage to the quality of your financial life.

As always if you have any questions please contact me.

Influence

MY SON WAS FLUNKING OUT OF COLLEGE SO I TOLD MY HIM, "YOU WILL MARRY THE GIRL I CHOOSE."

HE SAID, "NO."

I TOLD HIM, "SHE IS BILL GATES' DAUGHTER."

HE SAID, "YES"

I CALLED BILL GATES AND SAID, "I WANT YOUR DAUGHTER TO MARRY MY SON."

BILL GATES SAID, "NO."

I TOLD BILL GATES, "MY SON IS THE CEO OF THE WORLD BANK."

BILL GATES SAID, "OK."

I CALLED THE PRESIDENT OF WORLD BANK AND ASKED HIM TO MAKE MY SON THE CEO.

HE SAID, "NO."

I TOLD HIM, "MY SON IS BILL GATES' SON-IN-LAW."

HE SAID, "OK."

AND THAT'S EXACTLY HOW POLITICS WORKS HERE IN AMERICA.

And thus, began the practice of hiring morons to work in influential positions of government.

The practice is unbroken to this date.
