Gramercy KC Council No. 1817

October 2021

Brother Knights and Families,

Due to hurricane Ida we did not have a meeting in September. Although the hurricane was bad, the Lord took care of us. I did not hear of anyone losing their life or suffering any major damage.

The meeting this month will be Wednesday, October 13. The rosary will start at 6:30 PM, meal at 7:00 PM and the meeting will start at 7:30 PM.

August winner of the 50-50 was Brother Leon Keller III. The amount was \$55.00.

Please pray for our brothers who are sick or in distress, especially Brothers Johnny Norris, Allie Bourgeois, and Pat Whitney.

Sunday Dinner will be October 24. Proceeds will benefit the Jr. Catholic Daughters.

There is a Knights of Columbus link on the church web site. Go to www.rivrdcat.org/kc-bulletin.

If you would like to also receive your bulletin by email, please send your email address to barry1weber@att.net. I will continue to mail your bulletin; email is just another opportunity to communicate our Council's news.

Blessed are they who can laugh at themselves, for they shall never cease to be amused!

Vivat Jesus

INSURANCE AGENTS REPORT

Brother Matthew Maurin

Are you frustrated with paying yearly income taxes on savings that are intended for long term goals? Then it's time for you to get the information on the strategies that can provide tax advantages on your money. In our early working years, working years we made money to pay our monthly bills. Shortly thereafter, we began saving for our first home. But during our middle years we began to realize the seriousness of putting aside money for longer-term objectives. That's why many people embrace financial strategies that not only have the potential of building value for your future financial goals, but may also provide beneficial tax advantages during their growth phase and during the distribution phase. It's important to save money, because some long-term goals don't offer second chances. But it's also important to embrace tax advantaged strategies when available - ones that have the ability to potentially reduce defer or even eliminate taxes. With so much to gain ask for the facts. The facts may illustrate ways for you to achieve tax advantages on money or setting aside for longer term objectives. That's a strategy that has the potential of delivering a big advantage to the quality of your financial life.

As always if you have any questions please contact me.

Bingo is continuing to progress. All help is appreciated!

I am waiting on information from the Diocesan Administrator about the gumbo cook off.

The roof of the home sustained some damage from the storm and will have to be replaced. Brother Roger met with the insurance adjuster and will be taking care of the needed repairs.

New Boss

If you've ever worked for a boss who reacts before getting the facts and thinking things through, you will love this!

Arcelor-Mittal Steel, feeling it was time for a shakeup, hired a new CEO. The new boss was determined to rid the company of all slackers.

On a tour of the facilities, the CEO noticed a guy leaning against a wall. The room was full of workers and he wanted to let them know that he meant business. He asked the guy, "How much money do you make a week?"

A little surprised, the young man looked at him and said, "I make \$400 a week. Why?"

The CEO said, "Wait right here." He walked back to his office, came back in two minutes, and handed the guy \$1,600 in cash and said, "Here's four weeks' pay. Now GET OUT and don't come back."

Feeling pretty good about himself the CEO looked around the room and asked, "Does anyone want to tell me what that goof-ball did here?"

From across the room a voice said, "Pizza delivery guy from Dominos."
