CYO Players & Parents

Hello everyone! With the CYO Season once again here I wish to welcome all newcomers and returning players and parents! Couple of things.

In general, the students/athletes create their own teams. Groups of 10-15 are the required numbers. The students then enroll a minimum of 2 Parents to be involved in being at the practice times and games times. The volunteer coaches must be Virtus trained through the Diocese. There is no cost to the training and it is offered at Holy Cross on December 3rd. The Parents collect all of the forms and monies from each student and bring it all to Holy Cross on November 12th @ 7:00pm. I will meet you all in the Concession area to create the teams.

We MUST have 10 players on each team. There are too many situations where we are forced to play with less than 5 players or forfeit games. This is a waste of time and effort for everyone involved. Please continue to recruit additional players.

Each team must have 2 parents involved in the team practices and games. It is okay to have more adults, but at least 2 parents is a must.

Please see the <https://www.stignatiuskaukauna.org> website for all of the required forms and information. Go to Student Life, click on "Athletics" then scroll down to "CYO Basketball".

There is a meeting on December 3rd at Holy Cross @ 6:00pm. This is a Mandatory Coaches Meeting. We will introduce you to the Coordinators from the other parishes and go over additional important information. After the Coaches Meeting there will be the Virtus training it will go from 7:00 – 10:00pm. (If you are not already Virtus trained) Use the Kaukauna St Doors to enter. We will only need to see the parents involved in the Teams. We will go over their responsibilities and what needs to happen to get gym practice times. Let's have another great season!
