**DIVINE MERCY CHAPLET**— Would you like to take 15 minutes to deepen your Lenten experience?

During this season of Lent, we invite you to pray the Divine Mercy Chaplet in Holy Cross Church with other St. Ignatius Catholic School parents, grandparents and parish community members.

Door #12, between the rectory and the garage, will be open from 2:40pm to 3:00pm.

*We are in need of individuals to lead the chaplet on certain days. Please click on the link below to access the dates for the Divine Mercy Chaplet and for a leader sign up.*

**Dates for the Divine Mercy Chaplet:** <https://www.signupgenius.com/go/10c0e44a5a829abfe3-divine>

We will also have handouts available in church for reference (see attachment).

If you pick up your child at the end of the day, please consider arriving just a few minutes earlier to join in reciting this beautiful prayer.

*My daughter, encourage souls to say the chaplet which I have given to you.  
It pleases Me to grant everything they ask of Me by saying the chaplet.  
~Jesus to St. Faustina*

**LENTEN PRAYER EXPERIENCE**— Fr. Kyle will be offering Mass "ad orientem" at 8am each Saturday morning of Lent.

He will rotate through the three churches per the schedule below.

"Ad orientem" is Latin for "facing the East," that is, Liturgical East, the direction of Catholic worship as we wait for the risen and coming Christ. This means the priest faces the same direction as the congregation when at the altar, using the front edge of the altar instead of the back. Come, see the unity of the priesthoods of the baptized and ordained, connect with our liturgical heritage, and experience Mass deeply rooted in the rubrics and principles of Divine worship! Kids and families are **most** welcome.

(Nota Bene: these Masses will still be in English, with a microphone, in the Ordinary Form (the Mass we are used to)). ~ Fr. Kyle

**St. Ignatius Catholic School is a participating school in the WPCP (state voucher program) for 2020-21, which provides tuition for eligible students in the state wishing to attend a private school.**

## **Who's Eligible?**

Eligibility is determined by three factors: residency, income, and where your student attended school in the previous year. Here's how to determine if your child may be eligible:

### **Residency**

You will need to prove you reside in the state of Wisconsin.

### **Income**

Eligibility is determined on a sliding scale that considers your family size and 2019 adjusted gross income. At right is a quick chart to consult. You will have to prove your income.

### **Previous Attendance**

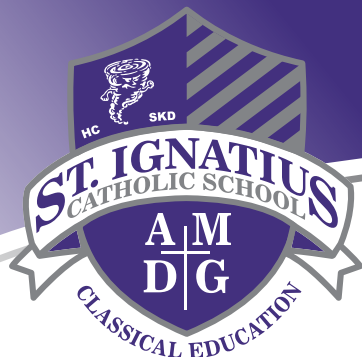

If your student already attends a private school he or she must be entering K4, kindergarten, or 1st grade in 2020-21 to be eligible. If your student attended a public, virtual, or charter school this year (2019-20) or is homeschooled, he or she may be eligible to apply for any grade, K4-8.

## **WPCP Income Limits** 220% of the Federal Poverty Level for 2020-21

Family Size	Max. Yearly Income (Adj. Gross Income)	
	Single Parent Household	Married Parent Household
2	\$37,202	n/a
3	\$46,926	\$53,926
4	\$56,650	\$63,650
5	\$66,374	\$73,374
6	\$76,098	\$83,098

For each additional member add \$9,504. A family whose parents are married can add another \$7,000 in additional income and still be eligible to apply.

**SEE HOW TO APPLY  
ON THE NEXT PAGE!**

## APPLY IN JUST 2 EASY STEPS!

### How to Apply:

If you think your child is eligible, we encourage you to consult with us about how to complete an acceptable application. The WPCP application period begins February 3 and ends April 16. The program has a number limit set by the state. Applicants will learn whether they have been awarded a seat in late spring by the DPI. All online applications and documentation must be submitted to the Wisconsin Department of Public Instruction (DPI) and school before the April 16 deadline. To schedule an appointment please call (920) 759-9290.

### 1. Begin Online:

The application begins with an online form. You will need to create an account with the DPI by using your email address and a password that you choose. Then you must sign in using those credentials.

Follow the prompts to fill in the application. When you reach the income section, please choose the “DPI method” of income determination. We recommend, for various reasons, that you do not simply offer your Social Security number to determine eligibility. We also ask that you DO NOT SUBMIT your application. It will be in a queue holding for the next steps when you attend an application session or visit the school. We want to be certain that the documentation you are providing matches what you are submitting to the DPI online.

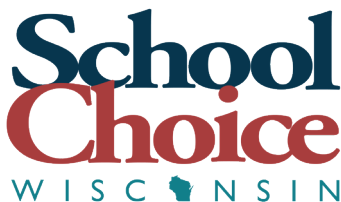

Find the online application after February 3rd here: <http://dpi.wi.gov/choice>.

### 2. Bring Documentation:

Your application is not complete until you provide acceptable documentation to the school, preferably during our application sessions. Here's what you'll need:

**Residency:** The documentation you provide must have your formal name as used in the application along with the address you used on the application. Acceptable forms include: a utility bill (gas/electric/cable bill), government correspondence, W-2 statement, or paycheck stub. All must be within a month or so of your application and have a date.

**Income:** Use the DPI method and then provide one of the following: 2019 W-2s, 1040 federal income tax form for 2019, Social Security or SSI benefit statement for 2019. If you do not make enough to file taxes, bring a statement of your 2019 state benefits and child support for the year, which you can access online in most communities.

If you have questions, please contact Lynn  
at St. Ignatius of Loyola Catholic School  
at (920) 759-9290 for more information.
