

FEBRUARY CAREER NETWORKING MEETING

NETWORKING MEETING

Monday, February 12, 2018

6:30 PM – 8:45 PM

It's All About Attitude!

Building A Positive Attitude For Your Job Search

with Robert Bachman

Staying positive in life is not easy and it is even harder when in career transition. You are in control of your attitude and that attitude is truly your key to success in networking and interviewing your way to your next position. Robert will share proven techniques that will leave you each day with a Positive Mental Attitude as God's Plan unfolds for you.

Our speaker, Robert Bachman, the Likeable Engineer, besides his day job as Senior Project Manager at ABB, Inc., has been helping job seekers improve their job search talents and attitudes for the last 9 years at HCLC, 40PLUS of SE Wisconsin and individual coaching. His mission statement is to use his passion as a problem-solver to support and coach others to help them use their talents to work together to serve others.
