## FROM THE PASTOR'S DESK

**You are invited to attend a St. Pascal's Town Hall Meeting on Wednesday, September 19 from 7:00-8:30 PM in Brioschi Hall.** The purpose of the meeting is to update parishioners and school families about our plans to strengthen and grow our Kindergarten through Grade 8 program at St. Pascal Baylon Catholic School this year, next year and in the future. We will also present information about our St. Pascal's Early Learning Center which includes our Preschool program for children ages 3-4 and our Pre-Kindergarten program for children ages 4-5. This Town Hall meeting is intended to be a venue for parish and school leaders to address your questions and present information about our finances, our enrollment, our school marketing and advancement efforts, and our donor investment model of funding that provides financial support for our school so that our parish is not placed in financial danger. We will also update information that was presented at the Town Hall meeting here on May 9, 2018 regarding a working group that is discerning a potential value-based charter school on the East Side of St. Paul.

**Labor Day Weekend and the End of Summer.** This weekend will feel like the end of Summer for many of us. Some schools have started classes already, but many schools (including St. Pascal School and Early Learning Center) have the first day of class on the day after Labor Day. So now our carefree Summer freedom changes to the regular routine of the academic year. I have heard from many parents and teachers that although children and teens may complain about the start of a new school year, many children and teens like and need the regular routine of the academic year. If this helps, keep in mind that the astronomical definition of summer is June 21 (summer solstice) until September 22 (autumnal equinox), so technically you do not have to say summer is over for another 20 days. ☺

**The Dignity of Work and the Rights of Workers.** Labor Day is a day set aside to pay tribute to working men and women. It has been celebrated as a national holiday in the United States and Canada since 1894. In our Catholic tradition, the dignity of work and the rights of workers has a long history in our social justice teachings. "The economy must serve people, not the other way around. Work is more than a way to make a living; it is a form of participation in God's creation. If the dignity of work is to be protected, then the basic rights of workers must be respected—the right to productive work, to decent and fair wages, to the organization and joining of unions, to private property, and to economic initiative." ([www.usccb.org](http://www.usccb.org), The Dignity of Work and the Rights of Workers). Here are a few Scriptural passages about the dignity of work and workers: *Genesis 2:1-3* (God rests on the seventh day), *Deuteronomy 5:13-15* (the Sabbath is for everyone and all are allowed to rest from their work), *Sirach 34:26-27* (to deprive an employee of wages is to commit murder), *Luke 3:10-14* (practice integrity in your work), and *James 5:1-6* (those who become rich by abusing their workers have sinned against God).

God Bless You,

Father John Mitchell

## Domestic Abuse: Understanding, Recognizing & Responding

Saturday, September 8 from 10:00-11:30 AM in Brioschi Hall

Join us to learn about domestic abuse from Meggie Royer, Education and Outreach Coordinator at Women's Advocates. During the presentation, we will discuss statistics about domestic abuse nationwide and in Minnesota, the cycle of abuse, various forms of abuse (physical, emotional, financial, sexual, digital), warning signs, how to help a peer, safety planning, and more. All are welcome at this free event—we hope you will join us. Presented by the League of Women Voters, Saint Paul and sponsored by St. Pascal's Social Justice and Caring Committee.

EARLY LEARNING CENTER

**Come Learn with Us!**

The St. Pascal Baylon Early Learning Center provides a safe and nurturing environment for a child's first school experience. Age-appropriate activities provide a variety of meaningful hands-on learning experiences in the areas of reading and math readiness, science and social studies, art and sensory, music, and dramatic play. This positive preschool experience allows children to make a successful transition to kindergarten.

We offer a preschool program for 3-year old children, both half day (9:00am - 12:30pm) and full day (9:00am - 3:30pm) and a full day 4-year old kindergarten readiness program.

Parents/guardians can chose a two day a week option (Tuesday and Thursday), three days a week (M-W-F) or 5 days a week (M-F). For more information or to set up a tour email ELC Director Laurie Jennrich at mslaurie.jennrich@stpascals.org or call 651.432.4963.

**Rosary: In Unity There is Strength—Beginning Wednesday, September 5**

The gentle repetition in the Rosary is meant to lead one into restful and contemplative prayer related to each Mystery—Joyful, Sorrowful, Glorious and Luminous—and to help us to enter into the silence of our hearts, where Christ's spirit dwells.

Join us every Wednesday at 9:00 AM to pray the rosary together. Then stay for the School Mass at 9:30. You will love the beautiful liturgy as only children can provide. Please join us when you are able. Any questions call Betty Hensel 651.714.8958 or bjhen@q.com.

## Heart Questions

### Doers of the Word

Welcome with meekness the implanted word that has the power to save your souls. But be doers of the word, and not merely hearers who deceive themselves.

James 1:21-22

Adults: Which words of Jesus provide the most inspiration for the Christian work that you do?

Kids: How do you welcome the words of Jesus into your heart?

## Hospital and Home Visitation

Hospitals are essential, hopeful and helpful. They may also be a scary, painful, lonely or sad environment. Whenever you or someone you love is in the hospital or are at home either recovering from illness or accident or are no longer able to leave your home, your church community can offer meaningful support. St. Pascal Baylon has trained ministers who bring the hope and prayer of the community and a confidential listening ear to our parishioners. Eucharistic Ministers may visit and bring communion; our priest visits and offers the sacraments of healing and reconciliation. When you or a member of your family is admitted to the hospital, please, let the hospital staff know that you are a member of St. Pascal Baylon in St. Paul and someone from chaplaincy will bring you the Eucharist. All area hospitals have priests or chaplains who are available in an emergency—ask your nurse or staff member to see a Catholic priest. They will also call the parish office if, during the admitting process, you answer the question, "Do you have a religious preference?" with a "Yes, Catholic, St. Pascal Baylon." Then someone from our parish will also visit you. If you would like a visit or have questions, please call Bonnie at 651.432.4959.
