FROM THE PASTOR’S DESK

Retirement of Jerry Klaas, our Facilities Supervisor. Jerry Klass will be retiring as our Facilities Supervisor on Friday, July 19, 2019. I invite you to join me in thanking Jerry for his dedicated work these past three years. We have been blessed to have Jerry working for us. He is hard-working, joyful and positive. He brings a strong faith to his daily work. Jerry is looking forward to slowing down (a bit) in retirement, but he plans to show up here on campus from time to time to lend us a hand. We wish Jerry all the best. God Bless You, Jerry!

Welcome to Mike Kelleher as our new Director of Facilities and Maintenance. We have hired Mike Kelleher to be our new Director of Facilities and Maintenance. Mike has already begun to work part-time during June with Jerry to become familiar with the job duties of our new Director of Facilities and Maintenance. Mike has worked a long time in our St. Pascal School as a middle school teacher. As Theresa (our Business Administrator) and I were considering plans for hiring for this position, we really thought that Mike would be a great fit for the job position. We offered him the job, and he accepted, and we are blessed to welcome him aboard to the St. Pascal Baylon parish staff. Mike’s familiarity with our facility and our parish families will help his transition into his new job. I have confidence in Mike’s abilities, background and enthusiasm for learning as he takes on the duties of our Director of Facilities and Maintenance.

God Bless You,
Father John Mitchell

Hospital Ministry/Visitation
Hospitals are essential, hopeful, and helpful. They may also be a scary, painful, lonely or sad environment. Whenever you or someone you love is in the hospital, your church community can offer meaningful support. St. Pascal Baylon has trained ministers who bring the hope and prayer of the community and a confidential listening ear to our parishioners. Eucharistic Ministers may visit and bring communion; our priest visits and offers the sacraments of healing and reconciliation. When you or a member of your family is admitted to a hospital, please let the hospital staff know that you are a member of St. Pascal Baylon in East St. Paul. All area hospitals have chaplains who are available. If you would like to be visited, please let the hospital staff know and someone from chaplaincy will bring you Eucharist. They will also call our parish office if, during the admitting process, you answer the question, “Do you have a religious preference?” with a “Yes, Catholic, St. Pascal Baylon.” Then someone from our parish will also visit you. In an emergency, please ask the hospital staff to call the hospital chaplain or a Catholic priest.

A Time to Grieve Booklets
Would you like to reach out to our families who have lost a loved one? We have a series of booklets called A Time to Grieve by Stephen Ministry. They are a set of four short books to send to a grieving person at four crucial times during the first year after a loved one dies. Each book focuses on what the person is likely experiencing at that point in grief—offering understanding, empathy, compassion, and hope. The books are sent with a brief note of encouragement, written by you, to the bereaved. Please consider being a caring presence to our bereaved family members through this beautiful ministry.
