FROM THE PASTOR'S DESK

Be careful of scammers. Recently a St. Pascal Baylon parishioner informed me that she received the following Email message from someone claiming to be "Fr. John Mitchell":

Hello

Are you unoccupied? Get back to me via mail. I need favor from you.

Blessings.

This email message was sent by a scammer. I did not send that email message to her. The parishioner thought the email looked suspicious, and she did not respond to it. I expect if she had responded back to the sender (who was not the real me and had created an email account using my name), then the scammer would have asked her for financial help, or to purchase a gift card, or to send money. Be careful of suspicious emails. I will not send you an email asking for financial help, and I will not ask if you are 'unoccupied', nor will I ask if you can help me to help someone else in financial difficulty. If you receive suspicious emails or text messages, I recommend that you disregard them and delete them. Let us pray for people who steal and swindle; may they have a change of heart and use their intelligence and talents for honest purposes that help people rather than harm them. Let us pray for victims of financial scams who are often vulnerable and very trusting of people who express a need or ask for a favor. Let us also pray for law enforcement workers, technology company workers, cyber security workers and others who help keep us safe from fraud, scams and other crimes.

On a happier note, I had a nice mini-vacation to Iowa last week. I visited one of my seminary classmates in the Archdiocese of Dubuque who is the pastor of five (5!) parishes. I am very thankful to be at St. Pascal Baylon Parish where I am the pastor of one parish, on one campus, in one location with such wonderful people that you are. The corn and other crops that I observed during my four-hour drive there and back looked reasonably good. I pray that all farmers have a good harvest. I expect that many of them are having a difficult growing season with the drought conditions.

Prayer Intention of Pope Francis for August 2021: *The Church*. Let us pray for the Church, that she may receive from the Holy Spirit the grace and strength to reform herself in the light of the Gospel.

Prayer Intention of Pope Francis for September 2021: *An Environmentally Sustainable Lifestyle*. We pray that we all will make courageous choices for a simple and environmentally sustainable lifestyle, rejoicing in our young people who are resolutely committed to this.

God Bless You,

Father John Mitchell

Baptized in Christ

Please remember in your prayers...

ARCHDIOCESAN SYNOD

What You Need to Know About Synod Small Groups This Fall

Be part of the Synod process that will shape our local Church. In small groups this fall, our parish will:

1. **Pray** for God's guidance on how we can more vigorously proclaim the Good News of Jesus Christ!
2. **Learn** the Church's wisdom on the Synod focus area topics.
3. **Discuss** your perspective and ideas with other parishioners.
4. **Respond** with your feedback on Archdiocesan priorities to proclaim the Good News in our culture today.

Mark your calendar for Monday evenings from 6:30-8:30 PM or Tuesday mornings from 10:00 AM - 12:00 PM starting September 20 at our parish. Small groups will gather for 6 weeks. See more at archspm.org/synod.

Registration will be available (but not required) beginning August 22 by going to the Sign Up Genius link on the parish website or calling the parish office. See more at archspm.org/synod or contact Kim Roering at kim.roering@stpascals.org or 651.432.4958.

REGIONAL SCHOOL NEWS

St. Pascal—Our Preschool Students GROW!

We believe in the development of the whole child—mental, physical, academic and spiritual. Each day our children are immersed into purposeful play where they build critical thinking skills, develop fine and gross motor skills, practice self-help skills and engage in building social skills with other children. It is amazing to see what they can learn through intentional play that presents our curriculum to 3- and 4-year-olds in a way they will learn and grow! Come! Take a peek and learn more! www.stpascalschool.org.
