## FROM THE PASTOR'S DESK

### The Importance of Listening

On October 28, 2018, Pope Francis celebrated the closing Mass for the Synod of Bishops on young people, the faith and vocational discernment. The Gospel reading for the day was the story of the healing of the blind man named Bartimaeus (Mark 10:46-52) that we hear in this weekend's Gospel reading. Pope Francis began his homily for that Mass with these words:

First, let us consider Bartimaeus. His name means "son of Timaeus". That is how the Gospel describes him: "Bartimaeus, son of Timaeus" (Mk 10:46). Yet, oddly, his father is nowhere to be found. Bartimaeus lies alone on the roadside, far from home and fatherless. He is not loved but abandoned. He is blind and has no one to listen to him. Jesus hears his plea. When he goes to him, he lets him speak. It was not hard to guess what Bartimaeus wanted: clearly, a blind person wants to see or regain his sight. But Jesus takes his time; he takes time to listen. This is the first step in helping the journey of faith: listening. It is the apostolate of the ear: listening before speaking.

(vatican.va, Homily of Pope Francis, October 28, 2018)

From these words, I am reminded of the importance of listening. When we listen to our friends, parents, spouse, children, co-workers and others, we open ourselves to an encounter with the other person. Often I find myself wanting to speak before I listen. Sometimes I prepare myself with a point that I wish to make rather than letting the other person's words sink in, allowing space for what they have said to settle into my mind and heart. May we ask for the grace of a heart that listens.

**You are invited to my 25th Priesthood Anniversary Celebration on Sunday, October 24 in Brioschi Hall after the 8:45 and 10:30 AM Masses.** We will have coffee and donuts after the 8:45 AM Mass. After 10:30 AM Mass, join us for food and beverages and an Open House from 11:30 AM - 2:00 PM. *All are welcome!*

**You are invited to a parish meeting on Thursday, October 28, 6:30 PM in Brioschi Hall to discuss options for Father John Ryan Field.** From our 2002 parish building project, we currently owe \$3,166,168.61 on our mortgage. At our current pace of mortgage payments, it will take approximately 16 more years to retire our mortgage. An option to consider is reducing our mortgage by selling the 2.25 acres of property owned by our parish across White Bear Avenue from our church and making an advance payment on our mortgage. This property is known as Father John Ryan Field. It has served as a ballfield, school playground, Christmas tree lot, a location for dumping excess winter snow from our parking lots and sidewalks, and it is currently the location of a small garage for our Men's Club to store various items. As you ponder this option, you can assume the property would be put to good use and utilized for something in accord with our values or at least not offensive to us or disagreeable to the neighborhood.

### Prayer Intention of Pope Francis for October 2021: *Missionary Disciples.*

We pray that every baptized person may be engaged in evangelization, available to the mission, by being witnesses of a life that has the flavor of the Gospel.

God Bless You,

Father John Mitchell

## Remembrance Masses

November is the month of All Saints and the Commemoration of the Faithful Departed, during which the Church prays for all who have died. We will remember and name our beloved dead who were buried from St. Pascal's during the past year at all Masses on the weekend of November 6/7. Please join us to pray for them and for all our departed who are now seated at the heavenly banquet.

## We Care Campaign

### *Social Justice and Caring Committee*

On the weekend of October 30 - 31, 2021, St. Pascal's parish will gather the loose change and bills from the collection and donate them to the Social Justice and Caring Committee's next We Care Campaign. The three options chosen by the committee for its fall Campaign are:

#### 1. Beacon Interfaith Housing Collaborative

Beacon Interfaith Housing Collaborative is an organization working to end homelessness and advance equitable housing in the Twin Cities.

#### 2. Catholic Charities U.S.A. Hurricane Ida Relief

Money donated to this option will be given to Catholic Charities U.S.A. to be used to assist those impacted by Hurricane Ida.

#### 3. UNICEF U.S.A. Aid to Afghanistan

Money donated to this option will be given to UNICEF U.S.A. to assist those affected by the recent strife in Afghanistan.

We encourage you to consider making a personal contribution as well, using the envelope provided in the packet of envelopes sent by the parish every other month or found on the tables located near the entrances to the church. If you prefer to give to one or more of these charities, please indicate this by marking the appropriate option(s) on the envelope and your contributions will be distributed as requested. Any unmarked contributions will be divided equally among the three options. Thank you for your generosity.

## Young At Heart Mass & Luncheon

*Thursday, October 28 at 11:00 AM*

Welcome, Seniors 55-plus! Fr. John will celebrate the Eucharist with us and then, after a short meeting, we will enjoy a Tinucci's sliced pot roast dinner and *Song and Stories* from musician Jim Berner. We ask a \$12.00 donation, payable on the day of the meeting. All protocols to keep us healthy with loving concern for one another are in place. **Please RSVP by Monday, October 25** to Betty Hensel at 651.714.8958 or [bjhensel@comcast.net](mailto:bjhensel@comcast.net) or to Linda Spence at 651.730.9061. ## — REGIONAL SCHOOL NEWS —

### NWEA MAP Growth Testing and Individual Learning Plans

A few weeks ago, the students at St. Pascal Regional completed the NWEA MAP Growth tests in reading and math. These tests help teachers know what skills and concepts the students have mastered or what they need more practice in. These tests also help the principal see the progress of a grade level and the entire school. Now that the testing is over, teachers can begin creating something unique to St. Pascal Regional called ILPs or Individual Learning Plans. In these plans, teachers, students, and their families, create goals to make sure that each student is getting the resources, services, and instruction they need to be a successful student. While the MAP tests only test reading and math proficiency, the ILPs go beyond taking into account the other subjects students may be struggling or need enrichment in as well as the social-emotional needs and strengths of each student. This is the third year that ILPs have been utilized to plan for student growth, and every year, these ILPs have been more and more successful in helping students achieve their goals.

**St. Paul Residents****Rent Stabilization up for vote for on November 2, 2021**

St. Paul City Council unanimously approved the rent stabilization ballot language that will be put to voters on November 2. If passed, the measure would institute one of the country's most rigorous rent stabilization policies and the state's first.

**What is Rent Stabilization?**

1. Rents can only increase up to 3% in a year
2. Landlords can apply for exceptions for capital improvements, maintenance, or swings in property taxes
3. Stays in effect even when the tenant changes

Rent stabilization is not rent control or ceiling. Historically BIPOC (Black, Indigenous, People of Color) renters face the worst rent spikes. BIPOC households saw a cumulative rent increase of 32% over the past two decades, while white households saw a cumulative increase of just 18%.

Developers will continue to factor in rent, inflation, and taxes into how they set their initial rents. By stabilizing rents, people would be more likely to stay in their house or apartment.

The City Council is also allowed to amend the ordinance 12 months after passage if needed. If passed, the rent ordinance would take effect on May 1, 2022.
