## FROM THE PASTOR'S DESK

Thank you for welcoming Father Bob Hazel to our parish last weekend to preside at the weekend Masses while I was on vacation. You are always very kind and helpful to visiting priests while I am away, and I appreciate it.

**Getting away from our usual routine** helps bring perspective to our life—whether that time away is during prayer time, vacation time or another leisure activity. Being able to look at our life from a distance can help us see the blessings and opportunities in our lives. During my vacation last week, I thought about what was happening in my life, our parish and our world one year ago. I meditated on where I saw God's presence in my life and our parish life. I thanked God for the blessings we received. I also gave thanks for the support we experienced through God's love and the help we gave to one another. I looked ahead and entrusted this year of 2022 into God's hands because I believe that God will guide us, that God will provide for us and that God calls us to serve one another.

**Cribbage Night at St. Pascal Baylon: Friday, February 11 from 6:30-8:00 PM in Brioschi Hall. PRIZES!** 1-on-1 and 2-on-2 team games available. Bring a partner with you, or we can pair you up with someone, or you can play as a one-person team. Wins, losses and point totals for the night will factor into prize categories. Free to play. Refreshments provided. Please sign up using the convenient SignUp Genius link at [stpascals.org/parish-news](http://stpascals.org/parish-news) or call the parish office at 651.774.1585 so we can plan for refreshments and set up.

**Prayer Intention of Pope Francis for January 2022: For true human fraternity.** We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

God Bless You,

Father John Mitchell

## — REGIONAL SCHOOL NEWS —

**Enroll in Preschool at St. Pascal Regional**  
In Preschool, we believe...

- imaginative play is powerful.
- an integrated preschool program helps with the transition to elementary school.
- social emotional learning starts in preschool.
- it is never too early to learn about God.

We are accepting applications for our preschool and pre-k programs. Our preschool program is open year-round and preschool families can also take part in our before and after school care program. Our preschool rooms have updated air conditioning, carpet, and classroom decor as of summer 2021. Visit our website, [stpascalschool.org](http://stpascalschool.org), for more information.

## — In Christ We Live Forever —

Please remember in your prayers...

Greg May

who was recently buried from our church. We extend our sincere sympathy to his family and friends, and pray for his soul's eternal peace.

## — SOCIAL JUSTICE & CARING —

### Beacon Update

In the state of Minnesota approximately 8% of the population is African American and Native American, however, almost 50% of the homeless population is African American and Native American. People of color are disproportionately affected by the rent affordability crisis. *Bring It Home Minnesota* is a rent subsidy program to assist with this racial equity gap and provide rental assistance for all. We need more voices from St. Pascal's to assist in this campaign.

Contact Ann Karner [akarner24@gmail.com](mailto:akarner24@gmail.com) or Julie Moore [0109jmm@gmail.com](mailto:0109jmm@gmail.com) and we can help get you started.

*Our encounter with the eternal Christ mystery started about 13.8 billion years ago in an event we now call the "Big Bang." God has overflowed into visible Reality and revealed God's self in trilobites, giant flightless birds, jellyfish, pterodactyls, and thousands of species that humans have never once seen. But God did. And that was already more than enough meaning and glory.*
