FROM THE PASTOR’S DESK

Eating Healthy. In my homily last weekend, I talked about physical food and spiritual food. I compared eating good food for our physical health to receiving the spiritual nourishment of the Body and Blood of Christ for our spiritual health. For my physical health, I have started eating sardines about once a week because my doctor recommended that I follow the Mediterranean Diet to help my heart health. “The Mediterranean diet is a way of eating that is based on the traditional cuisines of Greece, Italy and other countries that border the Mediterranean Sea. Plant-based foods, such as whole grains, vegetables, legumes, fruits, nuts, seeds, herbs and spices, are the foundation of the diet. Olive oil is the main source of added fat. Fish, seafood, dairy and poultry are included in moderation. Red meat and sweets are eaten only occasionally” (mayoclinic.org). Here is a recipe that I like when eating sardines:

Sardine and Herb Bruschetta

Ingredients:
8 (1-inch) thick whole-grain baguette slices, 1½ tbsp extra virgin olive oil for the baguette slices, 4 oz. olive oil-packed sardines (1 can), 2 tbsp lemon juice, 1 tsp red wine vinegar, 2 tbsp capers, (drained), 3 tbsp finely chopped red onion, ½ tsp oregano, 1 tbsp finely chopped mint, 1 garlic clove for bread, 1 garlic clove for the sardine topping.

Directions:
Preheat oven to 400 degrees. Place the baguette slices on a large baking sheet and brush them with the olive oil. Place the baguette slices in the oven and toast until they are golden, about 10 minutes. Note: I usually put the bruschetta on crackers or other bread rather than baguette slices. While the baguette slices are toasting, make the sardine topping by combining the sardines, lemon juice, and vinegar in a medium bowl. Mash with a fork. Add the capers, onions, oregano, and mint, and stir to combine. When the baguette slices are done toasting, remove them from the oven and rub them with the garlic. Note: I add 1 minced garlic clove to the sardine topping. Transfer the slices to a serving platter. Place 1 heaping tablespoon of the topping onto each baguette slice. Store the sardine topping in the refrigerator for up to 3 days. 15 minutes preparation. 10 minutes baking. Each serving has 193 calories, 9g total fat, 1g saturated fat, 16g carbohydrates, and 11g protein. (The Mediterranean Diet Cookbook for Beginners, Alpha, 2020, p. 152)

Morning Prayer on Friday, July 1, 8:00 AM. There will be no Mass on Friday, July 1 because I will be on vacation from July 1-3. Instead of Mass, we will have Morning Prayer at 8:00 AM. All are welcome.

Visiting priests for the weekend of July 2-3. On Saturday, July 2, Father Bob Hart will preside at the 4:30 PM Mass. On Sunday, July 3, Father Phil Rask will preside at the 8:45 and 10:30 AM Masses. I will be out of town on vacation.

Prayer Intention of Pope Francis for June 2022: The Elderly. We pray for the elderly who represent the roots and memory of a people; may their experience and wisdom help young people to look towards the future with hope and responsibility.

God Bless You,
Father John Mitchell

Faith in Action
Care for God’s Creation
As our parish cares for God’s creation by beginning construction of the tree trenches and rain garden to reduce pollution, there are individual actions we can take to help the environment. Not only will you help the environment, but you may save money as well. Go vegetarian for a day. Install a water saving shower head. Make your own cleaning products (check the internet for recipes). Vow to stop using plastic water bottles. Unplug electrical appliances when not in use. Change out light bulbs. Use leftover drinking water to water your plants. Walk rather than use your car for short distance errands. You will save gas as well. Brought to you by the Social Justice and Caring Committee.

“All of creation is a song of praise to God. Love abounds in all things, excels from the depths to beyond the stars, is lovingly disposed to all things.”
—Hildegard of Bingen

Looking for an Angel with a Cargo Van
Much of the food that is distributed at the Fishes and Loaves Food Pantry at Progressive Baptist Church comes through a food rescue program where drivers collect food at various markets and deliver it to the pantry. The food is then checked for freshness and distributed. The pantry could really use a pre-owned cargo van in good condition. While an outright donation would be wonderful, it may be possible to pay a reasonable price. If you can be the angel who has such a van or knows of someone who would be able to help, please contact Rev. Paul Johnson at revpauljohnson@gmail.com.

Heart Questions
Don't Look Back

Another said, "I will follow you, Lord; but let me first say farewell to those at my home." Jesus said to him, "No one who puts a hand to the plow and looks back is fit for the kingdom of God."
—Lk. 9:61-62

Adults: When have you faltered or looked back during your journey of faith?

Kids: How can you be a stronger follower of Jesus this week?

St. Pascal's Legacy Society

Grandpa didn't have a will, but Grandma does. She had to settle Grandpa's estate without one, and she now knows how important a will really is. Do you have a will? Over 50% of all adults neglect to make out a will. Do your family a huge service and take the time to complete a will. Please consider naming St. Pascal's and other charitable organizations you care about as bequest beneficiaries when you complete your estate plan. If you want more information on St. Pascal's Legacy Society, please call Theresa Ruttger in the parish office at 651.774.1585 or talk to a member of the Legacy Committee—Ellen and Mike Aeling, Susan Hommes, Joe Sullivan, and Brigid O'Malley.
