## FROM THE PASTOR'S DESK

**20 volunteers needed: Visit our neighbors to invite them to National Night Out.** We are looking for 20 volunteers to go out in pairs in the next two weeks to the 10 neighborhood blocks that surround our campus to invite our neighbors to our National Night Out gathering in the Flandrau Street parking lot on Tuesday, August 2, from 6:00 – 8:00 PM. I have created maps of the 10 neighborhood blocks that are located within one block of our church campus. There are 20-25 homes in each of these city blocks. If you would like to visit the homes in one of the 10 neighborhood zones and you have someone to go with you, then stop by the table in the Gathering Space after Mass this weekend and pick up a map with a block of homes to visit, and also pick up from the table a stack of 20-30 National Night Out flyers with information about the event. The two of you will visit the homes in your assigned zone and knock on the doors or ring the doorbell, and if the person answers the door, please introduce yourselves and then say something like this: “We are from St. Pascal Baylon Church, and we are hosting a National Night Out gathering in our church parking lot on Tuesday, August 2<sup>nd</sup>, and we want to invite you to join us! The event is free, and we will have music, food, prizes, fun and a chance to meet the neighbors that live in our neighborhood.” If the person does not answer their door, you can leave the flyer in their door.

**Tree Trench and Rain Garden Project Update.** We await a start date for the parking lot project funded by the Ramsey Washington Metro Watershed District (RWMWD) in our Flandrau Street parking lot. The project includes the installation of three trees on the western side of the parking lot and a rain garden on the northwest corner. The project will start once RWMWD receives the construction permit for the project, and the permit application is taking longer than expected. Before summer began, we knew the tree trench and rain garden installation would limit some of the available space in our parking lot for our National Night Out gathering on August 2 and temporarily limit our parking spaces, but we felt the project was worth it for the benefit it will give to our environment. What is that benefit? The tree trench and rain garden will slow down and filter about one inch of rainfall off the impervious surface of our parking lot. As the rainfall soaks into the tree trench and rain garden, this is considered the first flush of rainfall and captures the most pollutants. Without any treatment, this rainwater carries all the pollutants into the Mississippi River. The tree trench and rain garden will remove phosphorus, suspended solids, and other pollutants that are in the rainwater that falls on the parking lot.

**Welcome to Barb Uschold Anderson** who will be joining our parish staff beginning Monday, July 18 as Pastoral Associate for Pastoral Care. We look forward to working with Barb in the parish office and in ministry throughout the community.

**Next weekend, July 23-24,** we will have a visiting missionary priest, Father Ferdinand Okafur, with us to preach at all the weekend Masses. Father Okafur is from the Diocese of Auchi in Nigeria. Father Okafur comes to us through the Missionary Cooperation Plan (MCP) that we participate in each year through the Archdiocese of St. Paul and Minneapolis.

**Prayer Intention of Pope Francis for July 2022: *Families.*** We pray for Christian families around the world; may they embody and experience unconditional love and advance in holiness in their daily lives.

God Bless You,  
Father John Mitchell

## — SOCIAL JUSTICE & CARING —

### Faith In Action

#### Respecting the Dignity of All Persons: *Mothers and Children*

As a faith community that respects life from conception to natural death, it is worth considering supporting agencies like Options for Women East which is just down White Bear Avenue from our parish. This group provides both pre-natal and post-natal assistance for mothers and their babies until the child is one year old. The food distribution programs our parish supports here and at Progressive Baptist Church and our work for housing through Beacon Interfaith Housing Collaborative also work to treat all people with dignity. Do we only give lip-service to supporting life or do we help those who are struggling, especially families with children?

#### Volunteer at St. Pascal's

*Monday, July 25, from 2:00-5:00 PM*

St. Pascal's/Merrick Food Distribution

*Tuesday, August 2, from 6:00-8:00 PM*

National Night Out

Also, check out Fr. John's column in this week's bulletin for details about helping out by distributing NNO flyers to our neighbors.

If you are interested in helping out for either (or both) dates, please email Mary Weyandt at [mary.weyandt@mac.com](mailto:mary.weyandt@mac.com). You won't want to miss out on these great community-building opportunities!

#### July Collection:

##### *Merrick Community Services*

Merrick's mission is to support individuals and families to navigate life transitions, find health and stability, and promote independence. Merrick upholds their Mission by providing services through their Food Shelf, Meals on Wheels, and Employment and Family Services.

Find a complete list of needed items in last week's bulletin, on the door of the donation closet or at [stpascals.org/social-justice-and-caring-committee](http://stpascals.org/social-justice-and-caring-committee).

Place items in the donation closet, located off the coat room, before and after Masses until July 31. Thank you!

## — Baptized in Christ —

We welcome into our community of faith

*Hailey Pearl Guzman*

May God bless this household of faith.
